# Print Smarter, Faster, and Greener
# with ArrowJet Bolt.

## KEY FEATURES :

- Exceptional Print Quality with Lightening Speeds
- Easy Integration with Intuitive Digital Front End
- Fast Printhead Maintenance and Replacement
- Robust Build for Extended Print Runs

## Specifications:

| PARAMETER | SPECIFICATION |
|---|---|
| Color printing | CMYK |
| Ink type | Aqueous pigmented |
| Print width | 324 mm (12.77 inches) |
| Print speeds / resolution | 225 fpm at 1600 x 1280 dpi<br>450 fpm at 1600 x 640 dpi<br>Additional modes available |
| Print engine dimensions | W: 506 D: 875 H: 440mm<br>W: 19.9 D: 34.4 H: 17.3 inches |
| Print zone down-web | 142 mm |
| Printhead to media spacing | Configurable and automated |
| Ink tanks | 10 L default, 55 L option |
| Printhead life | Up to 240 L per printhead |
| Ink delivery system | Included |
| Digital front end SW | Integrated Xitron RIP and controller |
| PC server | Preconfiured from Proactive |
| Communication protocol | ModBus TCP |

| PARAMETER | SPECIFICATION |
|---|---|
| Interactive HMI / system dashboard | Integrated into DFE |
| Media profile library | Included |
| Splice detection and response | Optional |
| Duplexing controls | Optional |
| Dryer control | Adphos option available |
| Maintenance modes | Configurable and automated |
| Environment-based controls | Optional |
| Aerosol extraction | Included |
| MCS 2.0 performance data tracking | Included |

# Empower Your Print with **DuraCore Technology.**

Arrow Systems Inc. introduces DuraCore Technology, an advanced CMOS solution that enhances print quality, efficiency, and versatility, making it ideal for diverse printing needs.

## Key Features and Benefits

| FEATURE | BENEFIT |
|---|---|
| Longer Printhead Life | Targets 150L lifespan for reliable operation. |
| Better Print Quality | Improved uniformity and contrast for sharper prints |
| Flexible Print Modes | Supports multiple modes without quality loss. |

## DuraCore Software and Workflow Enhancements

| FEATURE | BENEFIT |
|---|---|
| Easy Diagnostics | Web-based interface for quick access to logs and settings. |
| Simple Updates | Web-based updates with easy snapshot and restore. |

## Enhanced User Experience

| PARAMETER | FEATURE |
|---|---|
| DFE Software | Third-party DFE, profile library, job management. |
| DFE Hardware | Compatible with Xitron Navigator and peripherals. |
